On November 10, 2021, PHX Minerals Inc. (the “Company” or “Buyer”) entered into a Purchase and Sale Agreement (the “Purchase Agreement”) with Vendera Resources III, LP and Vendera Management III, LLC (“Sellers”) to acquire certain mineral and royalty assets primarily located in De-Soto and Caddo Parishes, Louisiana and Nacogdoches County, Texas, for aggregate consideration of \$5,200,000, comprised of \$520,000 in cash, subject to increase to compensate for a Share Reduction (as defined below), and \$4,680,000 of common stock of the Company, or 1,519,481 shares, based on the volume-weighted average closing price of the Company’s common stock for the five days ended November 5, 2021 of \$3.08 per share, subject to a reduction in such number of shares (a “Share Reduction”), if necessary, to result in Sellers owning 4.9% or less of the total issued and outstanding shares of Common Stock of the Company at the time of closing (the “Equity Consideration”). The acquisition includes mineral and royalty assets totaling approximately 827 net royalty acres in the Haynesville play. The purchase price under the Purchase Agreement is subject to customary adjustments, including adjustments based on due diligence. PURCHASE AND SALE AGREEMENT

This Purchase and Sale Agreement (the “*Agreement*”) is dated as of the 10th day of November, 2021 (the “*Execution Date*”), and is by and between **Vendera Resources III, LP**, a Delaware limited partnership, and **Vendera Management III LLC**, a Delaware limited liability company (collectively, “*Seller*”), and **PHX Minerals Inc.**, an Oklahoma corporation (“*Buyer*”). Seller and Buyer are each individually referred to in this Agreement as a “*Party*” and collectively as the “*Parties*”.

RECITALS

WHEREAS, Seller owns certain rights, title and interests in and to certain mineral interests, royalty interests and/or overriding royalty interests in the oil, gas, and other minerals underlying certain lands located in Nacogdoches County, Texas and Bienville, Bossier, Caddo, De Soto, Red River, and Sabine Parishes in the state of Louisiana; and

WHEREAS, Seller desires to sell such rights, title and interests to Buyer, and Buyer desires to purchase such rights, titles and interests from Seller on the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, in consideration of the mutual promises, representations, warranties, covenants and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Buyer and Seller hereby agree as follows:

Article 1 PURCHASE AND SALE

1.1 Purchase and Sale. Subject to the terms and conditions of this Agreement, at the Closing, Buyer agrees to purchase from Seller, and Seller agrees to sell, assign, transfer, convey and deliver to Buyer, all of Seller’s right, title and interest in and to the Assets for the consideration specified in Article 2.

1.2 Effective Time. If the Closing occurs, the purchase and sale of the Assets shall be effective as the Effective Time.

1.3 Excluded Assets. Notwithstanding any other provision of this Agreement to the contrary, the Assets to be conveyed and assigned under this Agreement do not include the Excluded Assets, all of which are reserved by Seller.

Article 2 PURCHASE PRICE; REVENUES AND EXPENSES

2.1 Purchase Price. Subject to the adjustments set forth below and the other terms and conditions of this Agreement, the total consideration for the purchase, sale and conveyance of the Assets to be paid by Buyer to Seller is Five Million Two Hundred Thousand Dollars (\$5,200,000.00) (the “*Purchase Price*”), comprised of and to be paid partially in cash and partially in shares of Common Stock as further described in Section 2.2.

2.2 Consideration. Seller agrees to accept payment of the Purchase Price as follows: (a) an amount equal to Five Hundred Twenty Thousand Dollars (\$520,000.00) shall be paid for in cash by Buyer at Closing (the “*Cash Consideration*”) and (b) the remainder to the Purchase Price (after accounting for the Cash Consideration and any Purchase Price adjustments pursuant to this Agreement thereto) in shares of Class A Common Stock, par value \$0.016666, of Buyer (the “*Common Stock*”) with an equivalent aggregate Per Share Value equal to the Purchase Price (the “*Shares*”). As used herein, the “*Per Share*”

Value” means the VWAP of Common Stock for the five consecutive trading days ending November 5, 2021, which the Parties agree and stipulate equals \$3.08 per Share; provided that, if as of Closing, the Shares required to be issued hereunder would result in Seller or its Affiliates beneficially owning more than 4.9% of the total issued and outstanding shares of Common Stock of Buyer, then (i) the Shares will be reduced by a number of Shares (the “*Removed Shares*”) required to result in Seller owning 4.9% or less of the total issued and outstanding share of Common Stock of Buyer and (ii) the Cash Consideration will be increased by an amount equal to (x) the number of Removed Shares, *multiplied by* (y) the Per Share Value (and such amounts shall be deemed to be included in the definition of Cash Consideration hereunder).

2.3 Allocation of Purchase Price. The unadjusted Purchase Price shall be allocated among each tract of Land identified on Exhibit A-1 (each, a “*Tract*”), with each such Tract having the “*Allocated Value*” set forth for such Tract on Exhibit A-1.

2.4 Adjustments to the Purchase Price at Closing.

(a) No later than three (3) Business Days prior to the Closing Date, Seller will in good faith prepare (as a reasonable and prudent Person) and provide to Buyer a preliminary settlement statement (the “*Preliminary Settlement Statement*”) identifying all adjustments to the Purchase Price, without duplication, known by Seller to be made at Closing, in accordance with this Agreement and as of the time of the preparation of the Preliminary Settlement Statement (including reasonable estimates of any such amounts where actual amounts are not available). After the delivery of the Preliminary Settlement Statement to Buyer and prior to the Closing, Seller shall consult in good faith with Buyer regarding any reasonable changes to the Preliminary Settlement Statement proposed by Buyer prior to the Closing. Without limiting Section 2.5, the Preliminary Settlement Statement, as agreed upon in writing by Seller and Buyer, will be used to adjust the Purchase Price at Closing; provided, however, that if Seller and Buyer cannot agree in writing on the Preliminary Settlement Statement prior to Closing, then the Preliminary Settlement Statement proposed by Seller, taking into account any adjustments thereto agreed to by the Parties, will be used to adjust the Purchase Price at Closing. Seller and Buyer acknowledge that some items in the Preliminary Settlement Statement may be estimates or otherwise subject to change in the Final Settlement Statement. The adjusted Purchase Price, as reflected in the Preliminary Settlement Statement in accordance with this Section 2.4(a), is referred to as the “*Closing Adjusted Purchase Price*”.

(b) The Purchase Price will be increased (without duplication) by the following:

(i) the amount of any proceeds (including any lease bonuses, royalties and other proceeds) received by Buyer (and not otherwise paid or remitted to Seller) to the extent attributable to (A) any of the Assets and (B) the time period before the Effective Time;

(ii) subject to Section 3.2, the Title Credit Amount of any Title Credit (if applicable);

(iii) the amount of all Asset Taxes allocable to Buyer pursuant to Article 7 but paid or otherwise economically borne by Seller; and

(iv) as otherwise agreed in writing by the Parties.

(c) The Purchase Price will be decreased (without duplication) by the following:

(i) the amount of any proceeds (including any lease bonuses, royalties and other proceeds) received by Seller (and not otherwise paid or remitted to Buyer) to the

extent attributable to (A) any of the Assets and (B) the period beginning on and following the Effective Time;

(ii) subject to Section 3.2, the Title Defect Amount of any uncured Title Defect that is not waived in writing by Buyer (if applicable);

(iii) the Allocated Value of the Assets excluded from the transactions contemplated hereby pursuant to Section 3.2(f);

(iv) the amount of all Asset Taxes allocable to Seller pursuant to Article 7 but paid or otherwise economically borne by Buyer; and

(v) as otherwise agreed in writing by the Parties.

(d) The net adjustment to the Purchase Price pursuant to Section 2.4 (upward or downward) shall be adjusted proportionately in cash and in shares of Common Stock (as a partial adjustment to the Cash Consideration and a partial adjustment to the Shares) relative to the total percentage each form of consideration bears to the unadjusted Purchase Price, such percentages being ten percent (10%) cash and ninety percent (90%) shares of Common Stock. Each adjustment will be applied first to the Shares, effected as follows: (i) *first*, the aggregate net adjustment amount will be multiplied by ninety percent (90%), and (ii) *second*, the Shares will be adjusted upward (if the net adjustment amount is positive) or downward (if the net adjustment amount is negative) by the number of shares of Common Stock equal to the absolute value of the amount determined in clause (i), divided by the Per Share Value, and if such amount includes a fractional share, rounded up to the next whole share. The remainder of net adjustment amount (being ten percent (10%) of the net adjustment amount, and further adjusted to account any fractional Share adjustment described in the preceding sentence) shall be made in cash and will increase or decrease (as applicable) the Cash Consideration due and payable to Seller; in each case, subject always to the limitations in Section 2.2.

2.5 Adjustments to the Purchase Price Following Closing.

(a) Final Settlement Statement. Within ninety (90) days after the Closing Date (such 90th day, the “**Final Settlement Date**”), Seller will prepare a proposed final settlement statement (the “**Final Settlement Statement**”), which shall take into account all final adjustments made to the Purchase Price and shows the resulting final adjusted Purchase Price (“**Final Price**”). The Final Settlement Statement shall set forth the actual adjustments required under Section 2.4. As soon as practicable, and in any event within thirty (30) days, after receipt of the Final Settlement Statement (the “**Review Period**”), Buyer shall deliver to Seller a written report containing any proposed changes to the Final Settlement Statement and an explanation of any such changes and the reasons therefor (the “**Dispute Notice**”). If Buyer fails to timely deliver a Dispute Notice to Seller containing changes Buyer proposes to be made to the Final Settlement Statement, the Final Settlement Statement as delivered by Seller will be deemed to be correct and mutually agreed upon by the Parties, and will, without limiting Section 7.2(c), be final and binding on the Parties and not subject to further audit or arbitration. If the Final Price set forth in the Final Settlement Statement is mutually agreed upon by Seller and Buyer, the Final Settlement Statement and the Final Price shall, without limiting Section 7.2(c), be final and binding on the Parties hereto. Any disputed items included in a Dispute Notice regarding the Final Settlement Statement shall be resolved as provided in Section 2.5(c).

(b) Payment of Post-Closing Adjustments. Any adjustments to the Purchase Price as reflected in the Final Settlement Statement will be offset against each other so that only one payment is required between the Parties. Any such adjustment made post-Closing shall be paid only in cash. If the Final Price is less than the Closing Adjusted Price, then Seller shall pay Buyer cash in the amount determined pursuant to this Section 2.5(b), and if the Final Price is more than the Closing Adjusted Price,

then Buyer shall pay Seller cash in the amount determined pursuant to this Section 2.5(b). The adjustments contemplated in this Section 2.5(b) shall be made within five (5) Business Days following the date (the “**Final Settlement Determination Date**”) upon which all matters in the proposed Final Settlement Statement (including any Title Disputes) are either (A) agreed upon by the Seller and Buyer in writing, (B) deemed accepted by Buyer at the end of the Review Period pursuant to Section 2.5(a), or (C) finally determined by the Accounting Consultant in accordance with Section 2.5(c), as applicable.

(c) Resolution of Disputed Items. After the completion and delivery of the proposed Final Settlement Statement, the Parties shall negotiate in good faith to attempt to reach an agreement in writing on the amount due with respect to any disputed items included in the Dispute Notice. If the Parties agree in writing on the amount due with respect to any disputed items in the proposed Final Settlement Statement, and any payment in cash is required, the Party owing such cash will pay the amount of such cash to the other Party in the time period provided in Section 2.5(b). If the Parties are unable to agree in writing on the adjustment amount with respect to any disputed items in the proposed Final Settlement Statement within thirty (30) days after Seller receive Buyer’s written Dispute Notice, then Buyer and Seller shall engage an independent national accounting firm mutually agreed upon by the Parties (the “**Accounting Consultant**”) to exclusively and finally resolve any such disputed matters set forth in the Dispute Notice in accordance with the terms of this Agreement. Each of Buyer and Seller shall within fifteen (15) Business Days after either Party’s written request for arbitration summarize its position with regard to such dispute in a written document and submit such summaries to the Accounting Consultant, together with a copy of the Dispute Notice, the Final Settlement Statement, this Agreement and any other documentation such Party may desire to submit. If there is more than one or more Dispute Notice or disputed matter, all such disputes shall be consolidated into the same arbitration process pursuant to this Section 2.5(c). The Parties shall cooperate diligently with any reasonable request of the Accounting Consultant in an effort to resolve the matters submitted to the Accounting Consultant as soon as reasonably possible after the Accounting Consultant is engaged. The Accounting Consultant, once appointed, shall have no *ex parte* communications with any of the Parties concerning the determination required under this Section 2.5(c). All communications between any Party or its Affiliates and the Accounting Consultant shall be conducted in writing, with copies sent simultaneously to the other Parties in the same manner, or at a meeting or conference call to which each of the Parties and their respective Representatives have been invited and of which such Parties have been provided at least five (5) days’ written notice. In no event shall the Accounting Consultant select an adjustment amount to the Purchase Price (i) for any upward adjustment that is greater than Seller’s proposed amount or less than Buyer’s proposed amount or (ii) for any downward adjustment that is greater than Buyer’s proposed amount or less than Seller’s proposed amount. Within thirty (30) days after receipt of such materials from the Parties and after receipt of any additional information required by the Accounting Consultant, the Accounting Consultant shall make its determination, which shall be in accordance with the terms of this Agreement and shall be final and binding upon the Parties, without right of appeal, absent Fraud or manifest error. The Accounting Consultant may not award damages, interest or penalties to either Buyer or Seller with respect to any matter. Seller and Buyer shall each bear their own respective legal fees and other costs of presenting its case. Seller shall bear fifty percent (50%) and Buyer shall bear fifty percent (50%) of the costs and expenses of the Accounting Consultant.

2.6 Further Revenues and Expenses. From and after the Closing Date, if a Party or Parties receive revenues that belong to another Party under this Agreement, the Party or Parties receiving the revenues agrees to remit those revenues to the applicable Party promptly (but no later than thirty (30) days) following such first Party’s receipt thereof.

2.7 Payment Method. Unless the Parties otherwise agree in writing and except for the Share consideration (and adjustments thereto) contemplated in this Agreement, all payments made or otherwise required under this Agreement to be paid in cash (a) to Seller, will be made in United States dollars by wire transfer in immediately available funds to such account(s) as are designated in writing by the Seller to Buyer

and (b) to Buyer, will be made in United States dollars by wire transfer in immediately available funds to such account(s) as are designated in writing by Buyer to Seller.

2.8 Principles of Accounting. The Preliminary Settlement Statement and Final Settlement Statement will be prepared in accordance with GAAP, consistently applied in the petroleum industry, and applicable Laws.

Article 3 SCOPE OF DUE DILIGENCE AND TITLE DEFECTS

3.1 Scope of Due Diligence Review and Access. In order to allow Buyer to conduct title due diligence with respect to the Assets, from and after the Execution Date until 5:00 p.m. Central Time on November 24, 2021 (the “**Title Claims Date**”), Seller shall provide Buyer with reasonable access to the Records; provided, however, (a) such access does not unreasonably interfere with the normal operations and business of Seller or its Affiliates, (b) such access shall occur in such a manner as Seller reasonably determines to be appropriate to protect the confidentiality of the transactions contemplated by this Agreement, and (c) nothing herein shall require Seller to provide access, or to disclose any information, to Buyer if such access or disclosure (w) would waive any legal privilege (except with respect to any title opinions covering any Asset), (x) would be in violation of applicable Laws or regulations of any Governmental Authority, (y) would be in violation of any confidentiality obligations to a third party or (z) would constitute access to the Excluded Records. Further, Buyer shall have no right (i) to access any of the Assets or (ii) to perform or conduct any environmental sampling or other invasive environmental investigation on or about or with respect to any of the Assets. Buyer shall keep confidential all information made available to Buyer by or on behalf of Seller or its Representatives until the Closing.

3.2 Title Defects and Purchase Price Adjustment.

(a) Title Defect Notice. Buyer shall give Seller written notice of alleged Title Defects (a “**Defect Allegation**”) promptly upon Buyer’s discovery thereof, and in any event, prior to the Title Claims Date. To be effective, such Defect Allegation shall be in writing, delivered to Seller before the Title Claims Date and shall include (i) a reasonably detailed description of the alleged Title Defect, including Buyer’s detailed findings and reasons for concluding that such alleged Title Defect exists, (ii) the Allocated Value of the Tract affected by the Title Defect, (iii) the amount by which Buyer reasonably believes that the Allocated Value of the affected Tract is reduced by the alleged Title Defect and the computations and information upon which Buyer’s belief is based, and (iv) all supporting information and documents in Buyer’s possession or reasonable control relating to such asserted Title Defect necessary for Seller to verify such Title Defect and the value thereof; provided, however, that an alleged failure to comply with subsections (i) through (iv) above shall not cause any such Defect Allegation to be invalid or any Title Defect to be waived so long as the Defect Allegation is timely delivered and it provides reasonably sufficient notice and supporting documents to Seller of the existence of and reasonable details regarding the nature of the alleged Title Defect. Except for any claim under the Special Warranty, Buyer shall be deemed for any and all purposes to have waived, and Seller shall have no liability for, any Title Defects and other defects of title of which Seller have not received a Defect Allegation from Buyer on or before the Title Claims Date meeting the requirements of this Section 3.2(a). Notwithstanding the foregoing, Buyer shall be entitled to modify or amend any Defect Allegation or other communication until the Title Claims Date, and Buyer shall not be deemed to have waived any Title Defects that are ultimately asserted in a Defect Allegation from Buyer on or before the Title Claims Date meeting the requirements of this Section 3.2(a). Upon Seller’s receipt on or prior to the Title Claims Date of any Defect Allegation, Seller shall review such Defect Allegation in good faith and determine whether Seller believe such Defect Allegation meets the requirements of this Section 3.2(a). If Seller determines that any Defect Allegation fails to meet the requirements of this Section 3.2(a), Seller shall provide written notice to Buyer of such determination

(and reasonable detail of the basis for such determination) (a “**Deficiency Notice**”) as soon as reasonably practicable following Seller’s receipt of such Defect Allegation. Notwithstanding anything to the contrary, with respect to each Defect Allegation received by Seller on or prior to the Title Claim Date, Seller may not dispute any alleged Title Defect set forth in any such Defect Allegation on the basis that it did not meet the requirements of this Section 3.2(a) unless Seller provides prompt written notice to Buyer (no later than five (5) Business Days following the Title Claim Date) of the basis upon which Seller (acting in good faith) has determined that the Defect Allegation failed to meet the requirements of this Section 3.2(a).

(b) Title Credit Notice. Seller or Buyer, as the case may be, as a “**Disclosing Credit Party**”, may (but is not obligated to), give the other Party written notice of alleged Title Credits (a “**Credit Notice**”) promptly upon the Disclosing Credit Party’s discovery thereof, and in any event, prior to the Title Claims Date. To be effective, such Credit Notice provided by a Disclosing Credit Party shall be in writing, delivered to the other Party prior to the Title Claims Date, and shall include (i) a reasonably detailed description of the alleged Title Credit, including the Disclosing Credit Party’s detailed findings and reasons for concluding that such alleged Title Credit exists, (ii) the Allocated Value of the Tract affected by the Title Credit, (iii) the amount by which the Disclosing Credit Party reasonably believes that the Allocated Value of the affected Tract is increased by the alleged Title Credit and the computations and information upon which the Disclosing Credit Party’s belief is based, and (iv) all supporting information and documents in the Disclosing Credit Party’s possession or reasonable control relating to such asserted Title Credit necessary for the other Party to verify such Title Credit and the value thereof; provided, however, that an alleged failure to comply with subsections (i) through (iv) above shall not cause any such Credit Notice to be invalid or any Title Credit to be waived so long as the Credit Notice is timely delivered and it provides reasonably sufficient notice and supporting documents to Seller of the existence of and reasonable details regarding the nature of the alleged Title Credit. Seller shall be deemed for any and all purposes to have waived, and Buyer shall have no liability for, all Title Credits (A) of which Buyer has not received a Credit Notice from Seller, or (B) for which Buyer has failed to provide a Credit Notice to Seller, on or before the Title Claims Date meeting the requirements of this Section 3.2(b). Prior to the Title Claims Date, the Party receiving a Credit Notice shall notify the Disclosing Credit Party if any written alleged Title Credits received from the Disclosing Credit Party on or before the Title Claims Date do not comply with the provisions of this Section 3.2(b). Upon a Party’s receipt on or prior to the Title Claims Date of any Credit Notice, such Party shall review such Credit Notice in good faith and determine whether it believes such Credit Notice meets the requirements of this Section 3.2(b). If a Party determines that any Credit Notice fails to meet the requirements of this Section 3.2(b), such Party shall provide written notice to the Disclosing Credit Party of such determination (and reasonable detail of the basis for such determination) (a “**Credit Deficiency Notice**”) as soon as reasonably practicable following such Party’s receipt of the Credit Notice. Notwithstanding anything to the contrary, with respect to each Credit Notice received by Buyer on or prior to the Title Claim Date, Buyer may not dispute any alleged Title Credit set forth in any such Credit Notice on the basis that it did not meet the requirements of this Section 3.2(b) unless it provides prompt written notice to Seller (no later than five (5) Business Days following the Title Claim Date) of the basis upon which Buyer (acting in good faith) has determined that the Credit Notice failed to meet the requirements of this Section 3.2(b).

(c) Title Defect Amounts. The value of an uncured or unwaived Title Defect (a “**Title Defect Amount**”), and any adjustments to the Purchase Price for the same, shall be calculated as follows, without duplication:

(i) if Buyer and Seller agree in writing on the Title Defect Amount, that amount shall be the Title Defect Amount;

(ii) if a Title Defect is an Encumbrance upon an Asset which is liquidated in amount, then the adjustment shall be the sum necessary to be paid to the obligee to remove the Title Defect from the affected Asset;

(iii) if a Title Defect is in respect of a discrepancy between (A) Seller's Actual NRA for a Tract and (B) the aggregate Net Royalty Acres set forth on Exhibit A-1 for such Tract (the "**Stated NRA**" for such Tract), then the Title Defect Amount shall be the product of (1) the Allocated Value for such Tract, multiplied by (2) a fraction, the numerator of which is the absolute value of difference between the Stated NRA and the Actual NRA, and the denominator of which is the Stated NRA;

(iv) if the Title Defect represents an obligation or Encumbrance upon or other defect in title to the affected Tract of a type not described in Section 3.2(c)(i) through Section 3.2(c)(iii), above, then the Title Defect Amount shall be determined by taking into account the Allocated Value of the affected Tract, the legal effect of the Title Defect, the potential economic effect of the Title Defect over the life of the affected Tract, the values placed upon the Title Defect by Buyer and Seller and such other reasonable factors as are necessary to make a proper evaluation; and

(v) in no case shall the value of all Title Defects asserted with regard to a single Tract exceed the Allocated Value of the affected Tract. The Title Defect Amount with respect to a Title Defect shall be determined without any duplication of any costs included in any other Title Defect Amount hereunder, or for which Buyer otherwise receives credit in the calculation of the Purchase Price.

(d) Certain Limitations on Adjustments.

(i) Buyer shall have no remedy for any individual Title Defect, and Seller shall have no remedy for any individual Title Credit, unless the Title Defect Amount for such individual Title Defect, or Title Credit Amount for such individual Title Credit, exceeds Fifteen Thousand Dollars (\$15,000.00) (the "**Title Threshold**"), and no Title Defect or Title Credit shall be taken into consideration for the purpose of calculating any Purchase Price reduction or increase under this Section 3.2 unless the Title Defect Amount for such Title Defect, or Title Credit Amount for such Title Credit, exceeds the Title Threshold (which shall be treated as a threshold and not a deductible).

(ii) Buyer shall have no remedy for any Title Defects unless and until the sum of (x) the aggregate Title Defect Amounts for Title Defects with Title Defect Amounts exceeding the Title Threshold minus (y) the aggregate Title Credit Amounts for Title Credits with Title Credit Amounts exceeding the Title Threshold, exceeds One Hundred Fifty Thousand Dollars (\$150,000.00) ("**Title Deductible**"). Seller shall not be entitled to an upward Purchase Price adjustment for any Title Credits unless and until the sum of (x) the aggregate Title Credit Amounts for Title Credits with Title Credit Amounts exceeding the Title Threshold, minus (y) the aggregate Title Defect Amounts for Title Defects with Title Defect Amounts exceeding the Title Threshold, exceeds the Title Deductible. If, and only if, the Purchase Price reduction or increase which would result from all Title Defect Amounts or Title Credit Amounts, as the case may be, that exceed the Title Threshold exceeds the Title Deductible, then the Purchase Price shall be reduced by the aggregate of all Title Defect Amounts or increased by the aggregate of all Title Credit Amounts, in each case, that exceed the Title Deductible (which shall not be a threshold and shall be a true deductible).

(iii) The Title Threshold and Title Deductible shall not apply to Title Defects arising by, through or under Seller or any of its Affiliates or any breach of the Special Warranty.

(e) Title Credit Amounts. The value of a Title Credit (a “**Title Credit Amount**”) shall be calculated as follows:

(i) if Buyer and Seller agree in writing on the Title Credit Amount, that amount shall be the Title Credit Amount;

(ii) if a Title Credit results from the Actual NRA for the Tract that contains the affected Asset exceeding the Stated NRA for such Tract, then the Title Credit Amount shall be the product of (1) the Allocated Value for such Tract, multiplied by (2) a fraction, the numerator of which is the absolute value of difference between the Stated NRA and the Actual NRA, and the denominator of which is the Stated NRA;

(iii) if the Title Credit is of a type not described in Section 3.2(e)(i) through Section 3.2(e)(ii), then the Title Credit Amount will be determined by taking into account the Allocated Value of the affected Tract, the legal effect of the Title Credit, the potential economic effect of the Title Credit over the life of the affected Tract, the values placed upon the Title Credit by Buyer and Seller and such other reasonable factors as are necessary to make a proper evaluation.

(iv) The Title Credit Amount with respect to a Title Credit shall be determined without any duplication of any credit included in any other Title Credit Amount hereunder, or for which Seller otherwise receives credit in the calculation of the Purchase Price.

(f) Cure. Seller may, but shall not be obligated to, cure Title Defects prior to the Closing or after the Closing subject to the provisions of this Section 3.2(f) and Section 3.2(g). In the event Seller elects, in its sole discretion, to cure one or more Title Defects after Closing, Seller shall deliver a written notice to Buyer prior to Closing identifying the Title Defects that Seller have elected to cure (the “**Cure Notice**”). If Seller timely delivers a Cure Notice, the Tract or Tracts affected by the Title Defects described in the Cure Notice shall be retained by Seller at Closing, and subject to Section 3.2(d), the Purchase Price shall be reduced by the Allocated Value of the Tract or Tracts so retained by Seller. Seller shall be permitted, but shall not be obligated, to attempt to cure such Title Defects for a period of ninety (90) days after Closing (such period, the “**Cure Period**”), during which time, Buyer shall cooperate with Seller in connection with any such attempts by Seller to so cure. In the event that Seller cures any such Title Defect during the Cure Period, subject to Section 3.2(g), (i) Seller shall promptly notify Buyer that the Title Defect has been cured, (ii) Buyer shall pay to Seller an amount in cash equal to the amount by which the Purchase Price (including the portion of such adjustment accounted for in Shares pursuant to Section 2.4(d)) was reduced at Closing with respect to such excluded Assets (or portion thereof) (the “**Delayed Closing Date**”), in accordance with the terms of this Agreement, and (iii) Seller shall convey the Assets so excluded at Closing on the Delayed Closing Date pursuant to an instrument effective as of the Effective Time substantially in the same form as the Conveyance.

(g) Title Adjustments; Dispute Resolution.

(i) Seller and Buyer shall attempt to agree in writing on all alleged Title Defects and alleged Title Credits, the appropriate adjustment amounts for such alleged Title Defects and alleged Title Credits and the sufficiency of any cure of any such alleged Title Defects (any disagreement regarding the foregoing, a “**Title Dispute**”) prior to Closing.

(ii) If Seller and Buyer agree in writing prior to Closing on the existence of any Title Defect or Title Credit and the Title Defect Amount or Title Credit Amount in respect thereof, then subject to Section 3.2(d), the Purchase Price shall be reduced at Closing by the aggregate sum of all agreed Title Defect Amounts and the Purchase Price shall be increased at Closing by the aggregate sum of all agreed Title Credit Amounts.

(iii) If Seller and Buyer are unable to agree in writing prior to Closing on any Title Dispute, and if Seller does not elect to cure under Section 3.2(f), then (i) the the Tract or Tracts affected by the unresolved Title Defects shall nevertheless be conveyed to Buyer at the Closing, (ii) subject to Section 3.2(d), the Purchase Price shall be reduced by the Title Defect Amount for such Title Defect, as alleged by Buyer, and (iii) the Title Dispute shall be exclusively and finally resolved under Section 3.2(g)(iv). The final determination of any disputed Title Defect or Title Defect Amount by the Parties or by the Title Consultant in accordance with the procedures set forth in Section 3.2(g)(iv) shall be reflected in the Final Settlement Statement.

(iv) If the Parties are unable to agree in writing as to any matters that constitute Title Disputes within 30 days following the expiration of the Cure Period, then the Title Disputes shall be exclusively and finally resolved by arbitration to be conducted in Dallas, Texas, by an independent title attorney licensed in the State of Louisiana or Texas, as applicable, with at least 15 years' experience in oil and gas title involving properties in Louisiana or Texas, as applicable (the "**Title Consultant**"), selected by: (i) mutual written agreement of Buyer and Seller; or (ii) absent such agreement, by the Dallas office of the American Arbitration Association (the "**AAA**"); provided, however, that such Title Consultant must (A) have not been employed by any Party (or its Affiliate) in the past ten (10) years, and (B) have no ethical conflict in serving as the Title Consultant. If there is more than one disputed title matter, all such disputes shall be consolidated into the same arbitration process pursuant to this Section 3.2(g). Seller and Buyer shall each present to the Title Consultant, with a simultaneous copy to the other Party, a single written statement of its position on the defect or benefit in question, together with a copy of this Agreement and any supporting material that such Party desires to furnish, not later than the tenth (10th) Business Day after appointment of the Title Consultant. The Title Consultant, once appointed, shall have no *ex parte* communications with any of the Parties concerning the determination required under this Section 3.2(g). All communications between any Party or its Affiliates and the Title Consultant shall be conducted in writing, with copies sent simultaneously to the other Parties in the same manner, or at a meeting or conference call to which each of the Parties and their respective Representatives have been invited and of which such Parties have been provided at least five (5) days' notice. In no event shall the Title Consultant select an amount (x) for any upward adjustment to the Purchase Price that is greater than Seller's proposed amount or less than Buyer's proposed amount or (y) for any downward adjustment to the Purchase Price that is greater than Buyer's proposed amount or less than Seller's proposed amount. Within thirty (30) days after receipt of such materials and after receipt of any additional information required by the Title Consultant, the Title Consultant shall make its determination, which shall be in accordance with the terms of this Agreement and shall be final and binding upon the Parties, without right of appeal, absent Fraud or manifest error. The Title Consultant may not award damages, interest or penalties to either Buyer or Seller with respect to any matter. Seller and Buyer shall each bear their own respective legal fees and other costs of presenting its case. Seller shall bear fifty percent (50%) and Buyer shall bear fifty percent (50%) of the costs and expenses of the Title Consultant. If the Title Consultant determines that no Title Defect or Title Credit, as applicable, exists on an Asset, then after the Title Consultant delivers

written notice to Seller and Buyer of his or her award with respect to such Title Defect or Title Credit, as applicable, the matter shall be deemed resolved and no adjustment shall be made on account of such asserted Title Defect or Title Credit, as applicable. If the Title Consultant determines that a Title Defect or Title Credit, as applicable, exists on an Asset, then the Title Consultant will deliver written notice to Seller and Buyer of his or her award with respect to such Title Defect or Title Credit, as applicable, and such awards shall be reflected in the Final Settlement Statement.

As of their respective dates (or, if amended prior to the date of this Agreement, as of the date of such amendment), to Buyer’s Knowledge, the Buyer Reports did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading.

(b) The consolidated balance sheets, and related statements of income, cash flow and stockholder’s equity, included in the Annual Report, were prepared in accordance with GAAP, and fairly present in all material respects the financial positions and results of operations of Buyer and its subsidiaries at the dates and for the periods indicated. The consolidated balance sheets, and related statements of income, cash flow and stockholder’s equity, included in the Quarterly Reports, were prepared in accordance with GAAP, and fairly present in all material respects the financial positions and results of operations of Buyer and its subsidiaries at the dates and for the periods indicated. Since the filing of the 2020 Annual Report, except as disclosed in the Buyer Reports, to Buyer’s Knowledge, there has been no change in the condition (financial or otherwise) of Buyer and its subsidiaries, taken as a whole, that could reasonably be expected to individually or in the aggregate have a Material Adverse Effect on Buyer.

5.13 Private Placement. Assuming the accuracy of Seller’s representations and warranties in Article 4, the issuance of the Shares by Buyer to Seller in the manner contemplated by this Agreement will be exempt from the registration requirements of the Securities Act by reason of Section 4(a)(2) thereof.

5.14 No Integrated Offer. Other than the private placement of Shares in connection with this Agreement, the ATM Offering and as otherwise disclosed in the Buyer Reports, from March 24, 2021 through the Execution Date, neither the Buyer, nor, to Buyer’s Knowledge, any of its Affiliates or any Person acting on its or their behalf, has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security.

5.15 Listing Exchange. The Common Stock of Buyer is registered under Section 12(b) of the Exchange Act and is listed on the NYSE, and Buyer has not received any written notification that the Commission is contemplating terminating such registration or listing. Buyer has not, in the twelve (12) months preceding the Execution Date, received written notice from the NYSE or any other stock market or exchange to the effect that Buyer is not in compliance with the listing or maintenance requirements of such market or exchange (or any other notice of delisting), Buyer has not taken (and, to Buyer’s Knowledge, no Person has taken) any action designed to, or which to Buyer’s Knowledge, is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act.

Article 6 COVENANTS

6.1 Pre-Closing Covenants. From and after the Execution Date and until the earlier to occur of the Closing and the termination of this Agreement in accordance with its terms, and subject to the terms of the Contracts and the Leases, Seller shall administer its Assets in a good and workmanlike manner consistent with its past practices (including, for the avoidance of doubt, the granting of leases and lease renewals in the ordinary course of business) and applicable Law, and shall carry on its business with respect to its interest in the Assets in substantially the same manner as before the Execution Date. Notwithstanding the foregoing, from and after the Execution Date and until Closing, no Seller shall, without Buyer’s prior

written consent, (a) transfer, sell, mortgage, pledge, abandon or dispose of any of the Assets other than the granting of leases and lease renewals in the ordinary course of business; (b) purchase or otherwise acquire any interests that are similar in type to any of the Interests; (c) amend, modify or terminate any Material Contract or enter into any Contract that would have been a Material Contract if it had been in effect on the Execution Date; or (d) agree, whether in writing or otherwise, to do any of the foregoing; provided that nothing in this Section 6.1 shall be construed to prevent or limit Seller from complying with applicable Laws or the terms of any existing Material Contract or Lease.

6.2 Reasonable Efforts. Each Party agrees that it will not voluntarily undertake any course of action inconsistent with the provisions or intent of this Agreement and will use its Reasonable Efforts to take, or cause to be taken, all action and to do, or cause to be done, all things reasonably necessary, proper, or advisable under applicable Laws to consummate the transactions contemplated by this Agreement, including (a) cooperating in determining whether any consents, approvals, orders, authorizations, waivers, declarations, filings, or registrations of or with any Governmental Authority or third party are required in connection with the consummation of the transactions contemplated by this Agreement; (b) obtaining any consents, approvals, and registrations; (c) causing to be lifted or rescinded any injunction or restraining order or other order adversely affecting the ability of the Parties to consummate the transactions contemplated by this Agreement; (d) defending, and cooperation in defending, all Proceedings challenging this Agreement or the consummation of the transactions contemplated by this Agreement; and (e) executing any additional instruments necessary to consummate the transactions contemplated by this Agreement.

6.3 Amendment of Disclosure Schedules. From time to time up to the earlier of the Closing Date or termination of this Agreement in accordance with the terms hereof, with respect to the representations and warranties of a Party made in this Agreement, the Parties shall have the right, by written notice to other Party, to promptly supplement or amend the Disclosure Schedules to reflect any event or circumstance that first came into existence after the Execution Date and would have been required to be set forth or described on one or more existing or new Disclosure Schedules if such event or circumstance was in existence on the Execution Date of this Agreement (for the avoidance of doubt, no revision or supplement of the Disclosure Schedules may be effected on account of obtaining knowledge after the Execution Date of an event or circumstance that first came into existence before the Execution Date); provided that any such supplement, amendment or addition shall not be deemed to have (a) cured any inaccuracy in or breach of any representation, warranty or covenant for purposes of determining whether or not the conditions set forth in Sections 8.1 or 8.2 (as applicable) have been met or (b) except with respect to a Subject Schedule Supplement, cured any inaccuracy in or breach of any representation, warranty or covenant for purposes of determining Seller's indemnification obligations pursuant to Section 10.2 (and, for the avoidance of doubt, such liabilities will count against the Deductible). If any matter disclosed pursuant to any schedule supplement by Seller in accordance with this Section 6.3 gives rise to the right of Buyer to terminate this Agreement (such, a "***Subject Schedule Supplement***") and Buyer nevertheless elects to proceed with the Closing, then such matters giving rise to the right of Buyer to terminate that are disclosed pursuant to any such Subject Schedule Supplement shall thereafter be incorporated into the Disclosure Schedules as if made on and as of the Execution Date, and Buyer's remedies under Section 10.2(a) related to such matters disclosed in any such Subject Schedule Supplement shall be deemed waived by Buyer and Buyer shall not be entitled to make a claim pursuant to Section 10.2(a) with respect to such matters.

6.4 Limitations on Representations and Warranties. ALL ORAL INFORMATION OR MATERIALS, DOCUMENTS AND OTHER INFORMATION MADE AVAILABLE TO BUYER BY SELLER OR ANY OF THEIR REPRESENTATIVES AT ANY TIME IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED HEREBY HAVE BEEN MADE AVAILABLE AS AN ACCOMMODATION AND HAVE BEEN PROVIDED ON AN "AS IS" BASIS. EXCEPT FOR THE EXPRESS AND SPECIFIC REPRESENTATIONS AND WARRANTIES OF SELLER IN ARTICLE 4, THE SELLER OFFICER CERTIFICATES, THE ANCILLARY AGREEMENTS OF SELLER

DELIVERED AT THE CLOSING AND THE SPECIAL WARRANTY, AS APPLICABLE, BUYER ACKNOWLEDGES THAT SELLER HAS NOT MADE, AND SELLER HEREBY EXPRESSLY DISCLAIMS AND NEGATES ANY OTHER REPRESENTATION OR WARRANTY (EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE OR OTHERWISE), INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND FURTHER INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATION AND WARRANTIES RELATING TO (A) PRODUCTION RATES, RECOMPLETION OPPORTUNITIES, GEOLOGY, ENGINEERING, DECLINE RATES OR THE QUALITY, QUANTITY OR VOLUME OF THE RESERVES OF OIL AND GAS OR OTHER MINERALS, IF ANY, ATTRIBUTABLE TO THE ASSETS, (B) THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA OR OTHER MATERIALS (WRITTEN OR ORAL) NOW, HERETOFORE OR HEREAFTER FURNISHED TO BUYER BY OR ON BEHALF OF SELLER, AND (C) THE ENVIRONMENTAL CONDITION OF THE ASSETS. SELLER AND BUYER AGREE THAT, TO THE EXTENT REQUIRED BY APPLICABLE LAW TO BE EFFECTIVE, THE DISCLAIMERS OF CERTAIN WARRANTIES CONTAINED IN THIS SECTION ARE “CONSPICUOUS” DISCLAIMERS FOR THE PURPOSES OF ANY APPLICABLE LAW, RULE OR ORDER.

6.5 Post-Closing Obligations. If Closing occurs, Seller and Buyer have the following post-Closing obligations:

(a) Property Records. Within thirty (30) days after Closing, Seller shall deliver (at Seller’s cost and expense) the Records (which may be in the form of original records or electronic copies) to Buyer at the address of Buyer. With respect to any original Records delivered to Buyer, Seller shall be entitled to retain copies of such Records, and Buyer shall preserve and retain any such original Records for at least seven (7) years beyond the Closing Date. During such seven (7) year period, Seller shall be entitled to obtain access to such Records, at reasonable business hours and upon prior notice to Buyer, so that Seller may make copies of such original Records, at Seller’s expense (and Seller shall maintain the strict confidentiality of any Records of which it retains any copies), including as may be reasonable or necessary in connection with any Proceeding or threatened Proceeding against Seller.

(b) Recording and Filing. Buyer, within thirty (30) days after Closing, shall use Reasonable Efforts to: (i) record the Conveyance and all other instruments that must be recorded to effectuate the transfer of the Assets; and (ii) file for approval with the applicable federal, state or local agencies the Conveyance (to the extent required by applicable Law) and all other federal, state or local transfer documents required to effectuate transfer of the Assets. Buyer shall provide Seller a recorded copy of the Conveyance and other recorded instruments, and approved copies of the Conveyance and other federal, state or local transfer documents, promptly after they are available.

(c) Special Warranty. Subject to Section 10.3, the Conveyance delivered at Closing shall provide that Seller will warrant and defend Defensible Title to the Assets against whomsoever lawfully claims the same or any part thereof solely to the extent a claim is brought by, through or under Seller or any of its Affiliates but not otherwise (the “*Special Warranty*”). To the extent Seller may legally assign such rights and grant such subrogation, Buyer shall have all rights of legal subrogation to third party claims or Seller claims asserted or held by that third party or by Seller arising from or related to the Special Warranty.

(d) SEC Reports. From and after the Execution Date and until the filing of Buyer’s Annual Report on Form 10-K for the year ended September 30, 2022 (the “*Records Period*”), Seller shall, and shall cause its Affiliate and their respective Representatives to, provide reasonable cooperation to Buyer, its Affiliates and their agents and Representatives in connection with Buyer’s or its Affiliates’ filings, if any, that are required by the Commission, under securities laws applicable to Buyer and its

Affiliates (collectively, the “*Filings*”). During the Records Period, Seller shall make available to Buyer and its Affiliates and their Representatives any and all books, records, information and documents to the extent such books, records, information and documents are attributable to the Assets and in any of Seller’s or its Affiliates’ possession or control and accessible, on reasonable notice, to Seller’s and its Affiliates’ respective personnel during regular business hours, in each case as reasonably required by Buyer, its Affiliates and their Representatives in order to prepare, if required, in connection with the Filings, financial statements meeting the requirements of Regulation S-X under the Securities Act along with any documentation attributable to the Assets required to complete any audit associated with such financial statements, which records and information shall include, for the avoidance of doubt, lease operating statements for the lesser of the 24-month period prior to the Execution Date or the actual time periods in which Seller has owned the Assets. During the Records Period, Seller shall, and shall its Affiliates to, provide reasonable cooperation to the independent auditors chosen by Buyer (“*Buyer’s Auditor*”) in connection with any audit by Buyer’s Auditor of any financial statements of Seller or its Affiliates insofar and only insofar as the Assets are concerned with respect to which Buyer or any of its Affiliates reasonably requires to comply with the requirements of the Securities Act or the Securities Exchange Act of 1934, as amended, with respect to any Filings. During the Records Period, Seller and its Affiliates shall retain all books, records, information and documents relating to the Assets, to the extent in Seller’s possession or control, for the three (3) fiscal years prior to the Closing Date. Buyer shall pay, or cause to be paid, all reasonable documented third party out-of-pocket costs and expenses incurred in connection with any audit performed by Buyer in connection with Buyer’s rights under, and Seller’s compliance with, this Section 6.5(d) (expressly excluding Seller’s and its Affiliates’ internal general and administrative expenses).

6.6 Exclusivity. From and after the Execution Date and until the earlier to occur of the Closing and the termination of this Agreement in accordance with its terms: (a) Seller shall not, directly or indirectly through any of its Affiliates or any of its or their respective Representatives, (i) encourage, solicit, initiate, facilitate or continue inquiries regarding bids, offers, inquiries or proposals from any Person (other than Buyer and its designees, agents and all their respective Affiliates) with respect to the sale, transfer or disposition of all or any portion of the Assets (“*Acquisition Proposals*”), (ii) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal; (b) Seller shall immediately cease and cause to be terminated, and shall cause its Affiliates and all of its and their Representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons with respect to, or that could lead to, an Acquisition Proposal; and (c) Seller shall promptly provide Buyer with notice of any unsolicited Acquisition Proposals received by Seller.

6.7 Listing. Buyer shall use Reasonable Efforts to cause the Shares to be approved for listing on NYSE, subject to official notice of issuance, as promptly as practicable after the date hereof, and in any event on or prior to the Closing Date.

6.8 Registration Rights. Buyer shall (i) within two (2) days after the Closing Date, provide (by email being sufficient) Seller with a Selling Stockholders Questionnaire, substantially in the form of Exhibit B, which such Questionnaire shall contain the selling stockholder information needed from Seller pursuant to the applicable requirements of the Securities Act in connection with Buyer’s preparation of the Registration Statement (as defined below) and (ii) within thirty (30) days of receiving such information requested pursuant to the foregoing clause (i) (which period shall be tolled due to any delays occurring from additional follow-up information, questions or clarifications reasonably requested by Buyer to Seller as are necessary for the purposes of completing the Registration Statement), or if Buyer does not provide such Selling Stockholders Questionnaire within two (2) days after the Closing Date in accordance with the foregoing clause (i), thirty (30) days after the Closing Date (the “*Filing Deadline*”), prepare and file a Shelf Registration Statement with the Commission to permit the public resale of all Shares issued to Seller hereunder (a “*Registration Statement*”). The Registration Statement filed with the Commission pursuant

to this Section 6.8 shall be on Form S-3 or, if Form S-3 is not then available to Buyer, on Form S-1 or such other form of registration statement as is then available to effect a registration for resale of the Shares and shall contain a prospectus in such form as to permit Seller to sell such Shares pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the date such Registration Statement is declared effective by the Commission (the “**Effectiveness Date**”). Buyer shall provide a draft of the Registration Statement to Seller for review at least three (3) Business Days in advance of filing the Registration Statement. Buyer shall use its Reasonable Efforts to cause a Registration Statement filed pursuant to this Section 6.8 to be declared effective as soon as reasonably practicable thereafter (the “**Effectiveness Deadline**”). Until the earlier of (i) the third anniversary of the Effectiveness Date and (ii) the date on which Seller cease to hold any Shares issued hereunder, Buyer shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this Section 6.8 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another registration statement is available for the resale of the Shares. When effective, a Registration Statement (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any prospectus contained in such Registration Statement, in the light of the circumstances under which a statement is made). Seller shall not be identified as a statutory underwriter in any Registration Statement unless in response to a comment or request from the staff of the Commission or another regulatory agency; provided, however, that if the Commission requests that Seller be identified as a statutory underwriter in the Registration Statement, Seller will have an opportunity to withdraw from the Registration Statement. For purposes of this Section 6.8, the term “**Shares**” includes any equity security of Buyer issued or issuable with respect to the Shares issued hereunder by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event or otherwise.

(b) Seller acknowledges and agrees that Buyer may suspend the use of a Registration Statement if it determines (i) that the use of such Registration Statement would require the inclusion of financial statements that are unavailable for issue for reasons beyond Buyer’s control, or (ii) that in order for such Registration Statement not to contain a material misstatement or omission, an amendment thereto would be needed to include information that would at that time not otherwise be required in a current, quarterly, or annual report under the Exchange Act; provided, that (x) Buyer shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions or for a period of more than sixty (60) consecutive days or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360)-day period, (y) Buyer shall have a bona fide business purpose for not making such information public and (z) Buyer shall use Reasonable Efforts to make such Registration Statement available for the sale by Seller of such securities as soon as practicable thereafter.

(c) Buyer shall notify Seller within three (3) Business Days (email being sufficient): (i) when a Registration Statement or any post-effective amendment thereto has become effective; (ii) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any Proceedings for such purpose; (iii) of the receipt by Buyer of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any Proceeding for such purpose; and (iv) of a suspension pursuant to Section 6.8(b) or the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading (provided that any such notice pursuant to this Section 6.8(c) shall solely provide that the use of the Registration Statement or prospectus has been suspended without setting forth the reason for such suspension and shall not contain any material non-public information regarding Buyer). Buyer shall use its Reasonable Efforts to, as

applicable, (x) obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable and (y) as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement, or alleged untrue statement, of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) Buyer agrees to indemnify and hold harmless, to the extent permitted by law, Seller, Seller's directors, and officers, employees, and agents, and each Person who controls Seller (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and each Affiliate of Seller (within the meaning of Rule 405 under the Securities Act) from and against any and all losses, claims, damages, liabilities and expenses (including, without limitation, any reasonable attorneys' fees and expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue statement, or alleged untrue statement, of a material fact contained in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as and to the extent, but only to the extent, the same are caused by or contained in any information regarding Seller furnished in writing to Buyer by or on behalf of Seller expressly for use therein.

(e) Seller agrees to indemnify and hold harmless Buyer, its directors and officers and agents and employees and each Person who controls Buyer (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable attorneys' fees) resulting from any untrue statement, or alleged untrue statement, of a material fact contained in the Registration Statement, or any form of prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein (in the case of any prospectus, or any form of prospectus or preliminary prospectus or supplement thereto, in light of the circumstances under which they were made) or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission, or alleged untrue statement or omission, is contained in any information or affidavit so furnished in writing by Seller expressly for use therein. In no event shall the liability of Seller be greater in amount than the aggregate value of the Shares under Section 2.2 hereof.

(f) Any person entitled to indemnification pursuant to this Section 6.8 shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and, (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties exists with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability

on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(g) Buyer shall pay all expenses incident to Buyer's performance under or compliance with this Section 6.8 and all such expenses to effect the registration of the Shares on a Registration Statement, including, without limitation, all registration, filing, securities exchange listing and NYSE fees, all registration, filing, qualification and other fees and expenses of complying with securities or blue sky laws, fees of the Financial Industry Regulatory Authority, Inc., fees of transfer agents and registrars, all word processing, duplicating and printing expenses, any transfer taxes, and the fees and disbursements of counsel and independent public accountants for Buyer. Seller shall pay all selling commissions allocable to the sale of the Shares, transfer taxes and fees and disbursements of counsel to Seller in connection with the preparation and filing of the Registration Statement.

Article 7 TAX MATTERS

7.1 Transfer Taxes. All required documentary, filing and recording fees and expenses incurred in connection with the filing and recording of the assignments, conveyances or other instruments required to convey title to the Assets to Buyer shall be borne by Buyer. If any Transfer Taxes are imposed on the transfer of the Assets to Buyer, Buyer shall bear and pay any such Transfer Taxes. Seller and Buyer shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Transfer Taxes.

7.2 Asset Taxes.

(a) The applicable Seller shall be allocated all Asset Taxes attributable to (i) any Tax period ending prior to the Effective Time and (ii) the portion of any Straddle Period ending immediately prior to the Effective Time. Buyer shall be allocated and bear all Asset Taxes attributable to (A) any Tax period beginning after the Effective Time and (B) the portion of any Straddle Period beginning at the Effective Time. Buyer shall be responsible for payment to the applicable Governmental Authorities of all Asset Taxes that become due and payable, and the filing of all Tax Returns for Asset Taxes that become due, on or after the Closing Date.

(b) For purposes of determining the allocations described in Section 7.2(a), (i) Asset Taxes that are based upon income, sales, revenue or similar items (other than Asset Taxes described in clause (ii) or (iii) below) shall be allocated to the period in which the transaction giving rise to such Asset Taxes occurred, (ii) Asset Taxes that are ad valorem, property or similar Asset Taxes imposed on a periodic basis pertaining to a Straddle Period shall be allocated between the portion of such Straddle Period ending immediately prior to the Effective Time and the portion of such Straddle Period beginning at the Effective Time based on the number of days in the applicable Straddle Period that occur before the date on which the Effective Time occurs, on the one hand, and the number of days in such Straddle Period that occur on or after the date on which the Effective Time occurs, on the other hand, and (iii) Asset Taxes that are attributable to the severance or production of Hydrocarbons (other than Asset Taxes described in clause (ii) above) shall be allocated to the period in which the severance or production giving rise to such Asset Taxes occurred. For purposes of (A) the preceding sentence, any exemption, deduction, credit or other item that is calculated on an annual basis shall be allocated *pro rata* per day between the portion of the Straddle Period ending immediately prior to the Effective Time and the portion of the Straddle Period beginning at the Effective Time; and (B) clause (ii) of the preceding sentence, the period for such Asset Taxes shall

begin on the date on which ownership of the applicable Assets gives rise to liability for the particular Asset Tax and shall end on the day before the next such date.

(c) As provided in Article 2, the Purchase Price shall be adjusted for Asset Taxes allocable to each Party under Section 7.2(a) and Section 7.2(b). To the extent the actual amount of an Asset Tax is not known at the Final Settlement Date, Buyer and Seller shall utilize the most recent information available in estimating the amount of such Asset Tax for purposes of adjusting the Purchase Price under this Section 7.2(c). To the extent the actual amount of an Asset Tax (or the amount thereof paid or economically borne by a Party) is ultimately determined to be different than the amount (if any) that was taken into account for purposes of adjusting the Purchase Price under this Section 7.2(c), Seller shall pay Buyer, or Buyer shall pay Seller, as the case may be, within a commercially reasonable amount of time following written notice of such determination, any amount necessary to cause each of Seller and Buyer to bear its appropriate share of such Asset Tax as determined under this Section 7.2.

7.3 Tax Allocation. The Parties agree that the Cash Consideration, the fair market value of the Shares on the Closing Date, and any other amounts treated as consideration for U.S. federal income Tax purposes shall be allocated among the Assets for U.S. federal and applicable state income Tax purposes in accordance with all applicable Treasury Regulations promulgated under Section 1060 of the Code, and to the extent allowed by applicable Law, in a manner consistent with the Allocated Values. The initial draft of such allocation shall be prepared by Buyer and shall be provided to Seller no later than thirty (30) days after the Final Settlement Date. The Parties shall then cooperate to prepare a final allocation, which also shall be materially consistent with the Allocated Values to the extent allowed by applicable Law. In the event that Seller and Buyer are not able to resolve all of the items in the allocation, all such unresolved items shall be determined by the Accounting Consultant in accordance with the procedures of Section 2.5(c), *mutatis mutandis*. The final allocation shall be updated to reflect any adjustments to the Purchase Price (and, correspondingly, the Shares) and any other amounts treated as consideration for U.S. federal income Tax purposes. The final allocation shall be used by Seller and Buyer as the basis for reporting asset values and other items, including preparing Internal Revenue Service Form 8594 (Asset Acquisition Statement under Section 1060), if required. Each Party agrees not to take any position inconsistent with such final allocation unless (a) required by Law or as required by final adjustment or settlement with any Governmental Authority or agency, in which case written notice of such change shall be provided to the other Party, or (b) with the consent of the other Party.

7.4 Refunds of Taxes. Seller shall be entitled to any and all refunds of Taxes allocated to Seller under Section 7.2, and Buyer shall be entitled to any and all refunds of Taxes allocated to Buyer under Section 7.2. If a Party receives a refund of Taxes to which the other Party is entitled under this Section 7.4, the first Party shall promptly pay such amount to the other Party, net of any reasonable costs or expenses incurred by the first Party in procuring such refund.

7.5 Cooperation. Seller and Buyer each agree to furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to the Assets, including access to books and records, as is reasonably necessary for the filing of all Tax Returns by Buyer or Seller, the making of any election relating to Taxes, the preparation for any audit by any taxing authority and the prosecution or defense of any claim, suit or Proceeding relating to any Tax attributable to the Assets.

(a) (i) The Seller Fundamental Representations shall be true and correct on and as of the Execution Date and the Closing Date as though made on and as of such dates (other than representations and warranties that refer to a specified date, which need only be true and correct on and as of such specified date) and (ii) the representations and warranties of Seller contained in this Agreement that are not Seller Fundamental Representations shall be true and correct on and as of the Execution Date and the Closing Date as though made on and as of such dates (other than representations and warranties that refer to a specified date, which need only be true and correct on and as of such specified date), except where all such breaches of the representations and warranties described in clause (ii) taken collectively would not have a Seller Material Adverse Effect.

(b) Seller shall have performed or complied in all material respects all with all obligations, covenants and agreements contained in this Agreement as to which performance or compliance by Seller is required prior to the Closing.

(c) Seller shall deliver to Buyer a certificate signed by an officer of Seller in his or her capacity as an officer of Seller (and not individually), dated as of the Closing Date, certifying that the

conditions specified in Section 8.2(a) and Section 8.2(b) have been fulfilled (a “*Seller Officer Certificate*” and, together with the Buyer Officer Certificate, the “*Officer Certificates*”).

(d) No material suit, action, litigation or other Proceeding instituted by any third party shall be pending before any Governmental Authority seeking to restrain, prohibit, enjoin or declare illegal, or seeking substantial damages in connection with, the transactions contemplated by this Agreement, and no statute, rule, regulation, executive order, decree, temporary restraining order, preliminary or permanent injunction, judgment or other order shall have been enacted, entered, promulgated, enforced or issued by any Governmental Authority preventing the consummation of the transactions contemplated by this Agreement;

(e) Seller shall be ready, willing and able to deliver to Buyer, and shall have delivered to Buyer, the closing deliverables to be delivered by Seller in accordance with Section 9.2; and

8.3 Frustration of Closing Conditions. Neither Buyer nor Seller may rely, either as a basis for not consummating the transactions contemplated in this Agreement or terminating this Agreement in accordance with this Agreement and abandoning the transactions contemplated in this Agreement, on the failure of any condition set forth in Section 8.1(a) or Section 8.1(b), or Section 8.2(a) or Section 8.2(b), as the case may be, to be satisfied if such failure was caused by such Party’s breach of any provision of this Agreement or failure of such Party or its Affiliate to act in good faith.

8.4 Termination. This Agreement may be terminated prior to Closing:

(a) by the mutual written consent of the Parties;

(b) by Seller, at its option, if any of the conditions set forth in Section 8.1 have not been satisfied on or before the Scheduled Closing Date and, following written notice thereof from Seller to Buyer specifying the reason such condition is unsatisfied (including any breach by Buyer of this Agreement), such condition remains unsatisfied for a period of ten (10) Business Days after Buyer’s receipt of written notice thereof from Seller;

(c) by Buyer, at its option, if any of the conditions set forth in Section 8.2 have not been satisfied on or before the Scheduled Closing Date and, following written notice thereof from Buyer to Seller specifying the reason such condition is unsatisfied (including any breach by Seller of this Agreement), such condition remains unsatisfied for a period of ten (10) Business Days after Seller’s receipt of written notice thereof from Buyer;

(d) by Seller or Buyer, if the sum of all Title Defect Amounts for Title Defects asserted by Buyer in good faith on or before the Title Claims Date that exceed the Title Threshold exceeds ten percent (10%) of the unadjusted Purchase Price;

(e) by Seller or Buyer if Closing shall not have occurred on or before the Scheduled Closing Date; or

provided, however, that no Party shall have the right to terminate this Agreement under clauses (b), (c) or (e) above if (i) such Party is, at such time, in material breach of any provision of this Agreement, or (ii) the other Party has filed in good faith (and then solely for so long as such Party continues to diligently pursue) an action before a Governmental Authority seeking specific performance of such first Party’s obligation under this Agreement to consummate the Closing as permitted by Section 11.16.

8.5 Effect of Termination and Remedies.

(a) Seller's Remedies. Subject to Section 8.5(c), prior to Closing, Seller's sole and exclusive remedy for any breach by Buyer of this Agreement is (i) to seek specific performance of Buyer's obligations under this Agreement in accordance with Section 11.17 or (ii) to terminate this Agreement in accordance with Section 8.4. Upon such termination, Seller shall be free immediately to enjoy all rights of ownership of the Assets and to sell, transfer, encumber or otherwise dispose of the Assets to any Person without any restriction under this Agreement. Subject to Section 8.5(c), prior to Closing, the remedies set forth in this Section 8.5(a) shall be Seller's sole and exclusive remedies for Buyer's default or Seller's termination of this Agreement, and Seller hereby expressly waive and release all other remedies.

(b) Buyer's Remedies. Subject to Section 8.5(c), prior to Closing, Buyer's sole and exclusive remedy for any breach by Seller of this Agreement is (i) to seek specific performance of Seller's obligations under this Agreement in accordance with Section 11.17 or (ii) to terminate this Agreement in accordance with Section 8.4 and Buyer will be entitled to recover its actual damages against Seller. Subject to Section 8.5(c), prior to Closing, the remedies set forth in this Section 8.5(b) shall be Buyer's sole and exclusive remedies for Seller's default or Buyer's termination of this Agreement, and Buyer hereby expressly waives and releases all other remedies.

(c) Exceptions. Notwithstanding anything in this Agreement to the contrary, termination of this Agreement shall not prejudice or impair Seller's or Buyer's rights and obligations under the provisions of this Section 8.5, and all of Article 11 (other than Section 11.4), which shall survive the termination of this Agreement.

(d) No Other Remedies. Subject to (and except as otherwise provided in) the foregoing provisions in this Section 8.5, following any termination of this Agreement prior to Closing, no Party shall have any liability or obligation under this Agreement and Seller shall be free immediately to enjoy all rights of ownership of the Assets and to sell, transfer, encumber or otherwise dispose of the Assets to any Person without any restriction under this Agreement; provided however, in no event shall Seller dispose any of the Assets if (i) there are any actions or claims pending or litigation threatened as a result of any alleged breaches of the Agreement by Seller or (ii) Buyer is seeking specific performance pursuant to the terms of the Agreement.

Article 10

ASSUMPTION AND RETENTION OF OBLIGATIONS AND INDEMNIFICATION; DISCLAIMERS

10.1 Buyer's Assumption of Liabilities and Obligations. From and after Closing, subject to Seller's obligations in Section 10.2(a), (a) Buyer shall assume and pay, perform, fulfill and discharge (or cause to be paid, performed, fulfilled and discharged) all claims, costs, expenses, liabilities and obligations (collectively, "**Obligations**") of Seller, known or unknown, arising from, based upon, relating to or

associated with the Assets, or to the ownership or management of the Assets, arising on or after the Effective Time, in each case, other than the Retained Obligations (the “*Assumed Liabilities*”); provided that the Assumed Liabilities shall not include, and Seller shall retain all (and Buyer shall have no obligation with respect to any) Obligations arising from or related to the Retained Obligations. For the avoidance of doubt, any calculation or determination of any Obligations under this Agreement shall not include any measure of damages or theories of liability expressly waived by the Parties pursuant to Section 10.7.

10.2 Indemnification.

(a) Seller’s Indemnification of Buyer. From and after Closing, subject to the limitations set forth in this Article 10 and Section 11.11 below, Seller shall jointly and severally be responsible for, pay on a current basis, and **DEFEND, INDEMNIFY AND SAVE AND HOLD HARMLESS** Buyer and its Affiliates, and its and their respective equityholders, partners, members, directors, officers, managers, employees, attorneys, consultants, agents and representatives (collectively, the “*Buyer Indemnitees*”), from and against all Losses and Obligations, whether or not incurred in the investigation or defense of any of the same or in asserting, preserving or enforcing any of their respective rights hereunder, arising directly or indirectly from, based upon, in connection with, related to, or that are associated with:

- (i) Any breach by Seller of any of its representations and warranties contained in this Agreement;
- (ii) Any breach by Seller of any of its covenants or agreements under this Agreement;
- (iii) Seller Taxes; and
- (iv) the Retained Obligations.

(b) Buyer’s Indemnification of Seller. From and after the Closing, subject to the limitations set forth in this Article 10 and Section 11.11 below, Buyer shall be responsible for, pay on a current basis, and **DEFEND, INDEMNIFY AND SAVE AND HOLD HARMLESS** Seller and its Affiliates, their respective equityholders, partners, members, directors, officers, managers, employees, attorneys, consultants, agents and representatives (collectively, the “*Seller Indemnitees*”), from and against all Losses and Obligations, whether or not incurred in the investigation or defense of any of the same or in asserting, preserving or enforcing any of their respective rights hereunder, arising directly or indirectly from, based upon, in connection with, related to, or that are otherwise associated with:

- (i) any breach by Buyer of any of its representations or warranties contained in this Agreement;
- (ii) any breach by Buyer of any of its covenants or agreements under this Agreement; and
- (iii) the Assumed Liabilities.

(c) Limitations on Indemnity.

(i) Subject to and without limiting Section 11.16 or Section 6.8, following the Closing, except with respect to Special Warranty and Fraud, indemnification under this Section 10.2 or Section 6.8 shall be the sole and exclusive remedy available to each Party

(and in lieu of all other remedies) against the other Party for any claims arising out of or based upon the matters set forth in this Agreement and the transactions contemplated hereby, and (except as provided in Section 11.16) no Party shall seek relief against the other Party other than through the indemnification provided in this Section 10.2 or Section 6.8.

(ii) Seller shall not have any liability under Section 10.2(a)(i) for any individual Losses arising from breaches of representations and warranties (other than the Seller Fundamental Representations) unless such individual Loss exceeds an amount equal to \$10,000 (the “**Individual Claim Threshold**”), and then only to the extent that the aggregate amount of all such Losses which meet the Individual Claim Threshold, collectively, exceed \$150,000.00 (the “**Deductible**”), in which event Seller shall be liable for the aggregate amount of all such Losses in excess of the Deductible (which shall be a true deductible and not a threshold).

(iii) No indemnification may be sought by any Party under this Agreement in respect of any Loss to the extent such Loss is reflected in the calculations of the Preliminary Settlement Statement or as finally determined in connection with the Final Settlement Statement. No indemnified Party shall be entitled to recover more than once for the same Loss.

(iv) Notwithstanding anything to the contrary contained elsewhere in this Agreement, except in cases where a Party has acted with Fraud, or except for breaches of the Seller Fundamental Representations or Buyer Fundamental Representations, as applicable, in no event shall Seller have any obligation to indemnify Buyer or Buyer Indemnitees against, or reimburse Buyer or any Buyer Indemnitees for, any Obligations or Losses arising under Section 10.2(a)(i) in excess of an amount equal to thirty percent (30%) of the unadjusted Purchase Price. In no event shall either Party’s aggregate liability under this Agreement for any and all indemnification obligations exceed an amount equal to the Purchase Price.

(v) Any claim for indemnity to which a Seller Indemnitee or Buyer Indemnitee is entitled must be asserted by and through Seller or Buyer, as applicable. The amount of any indemnification provided under Section 10.2(a) and Section 10.2(b) shall be reduced by any amounts actually recovered by the indemnified Party under insurance policies or otherwise from third parties, net of any collection costs (including Taxes), and excluding any insurance underwritten by the indemnified Parties.

10.3 Survival of Warranties, Representations and Covenants. All representations, warranties, covenants, and performance obligations set forth in this Agreement shall survive the Closing until fully performed, subject to applicable statutes of limitations, except (a) the representations and warranties of the Seller in Article 4 (other than the Seller Fundamental Representations) shall survive Closing for a period of twelve (12) months; (b) the representations and warranties of Seller set forth in Section 4.1 through Section 4.7 (inclusive) and Section 4.9 (such representations, the “**Seller Fundamental Representations**”) shall survive the Closing without time limit, except that the representations in Section 4.9 shall survive for the applicable statute of limitations period plus sixty (60) days; (c) the representations and warranties of Buyer set forth in Article 5 (other than the Buyer Fundamental Representations) shall survive Closing for a period of twelve (12) months; (d) the representations and warranties of Buyer set forth in Section 5.1 through Section 5.5 (inclusive) and Section 5.8 (such representations, the “**Buyer Fundamental Representations**”) shall survive the Closing without time limit; (e) the Special Warranty shall survive Closing for a period of thirty-six (36) months; (f) any covenants of the Parties to be performed prior to or

at Closing shall expire upon and as of Closing; (g) the indemnities in Section 10.2(b)(iii) shall survive the Closing for a period of thirty-six (36) months; (h) the indemnities in Section 10.2(a)(iv) shall survive the Closing without time limit; and (i) the indemnity in Section 10.2(a)(iii) shall survive until sixty (60) days after the expiration of the applicable statute of limitations (each such period, as applicable, the “*Survival Period*”). All indemnities herein other than those in Section 10.2(b)(iii), Section 10.2(a)(iv) and Section 10.2(a)(iii) shall terminate as of the termination date of each respective representation, warranty, covenant or performance obligation that is subject to the indemnification thereto (as specified herein), in each case, except to the extent a claim notice with respect to any breach of the foregoing has been properly delivered before the expiration of the Survival Period applicable thereto alleging a right to indemnification or defense for Obligations or Losses arising out of, relating to, or otherwise attributable to the breach of such representation, warranty, covenant or performance obligation, then, solely to the extent directly related to the matters expressly set forth in such claim notice, such representation, warranty, covenant or performance obligation shall continue to survive until the claims asserted in such claim notice have been fully and finally resolved under the terms of this Agreement or by written agreement (including a settlement agreement) of the Parties.

10.4 Reservation as to Non-Parties. Nothing in this Agreement is intended to limit or otherwise waive any recourse Buyer or Seller may have against any non-Party for any Obligations or Losses that may be incurred with respect to the Assets.

10.5 Acceptance of Title Condition. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATIONS, WARRANTIES AND COVENANTS OF SELLER UNDER THIS AGREEMENT) AND EXCEPT AS TO THE SPECIAL WARRANTY OF DEFENSIBLE TITLE UNDER THIS AGREEMENT OR THE CONVEYANCE DELIVERED AT CLOSING, BUYER WILL ACCEPT THE ASSETS AT CLOSING IN THEIR PRESENT CONDITION, “AS IS AND WHERE IS AND WITH ALL FAULTS.” BUYER ACKNOWLEDGES AND AGREES THAT, EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT AND IN THE CONVEYANCE DELIVERED AT CLOSING, SELLER HAVE MADE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, WRITTEN, ORAL, OR OTHERWISE, AS TO THE ACCURACY OR COMPLETENESS OF THE BACKGROUND MATERIALS OR ANY OTHER INFORMATION RELATING TO THE ASSETS FURNISHED BY OR ON BEHALF OF SELLER OR TO BE FURNISHED TO BUYER OR ITS REPRESENTATIVES, INCLUDING SELLER’S INTERNAL APPRAISALS AND INTERPRETIVE DATA.

10.6 Express Negligence Rule. THE DEFENSE, INDEMNIFICATION, HOLD HARMLESS, RELEASE AND ASSUMED LIABILITIES PROVISIONS PROVIDED FOR IN THIS AGREEMENT SHALL BE APPLICABLE AND ENFORCEABLE WHETHER OR NOT THE LIABILITIES, LOSSES, COSTS, EXPENSES, OBLIGATIONS AND DAMAGES IN QUESTION AROSE OR RESULTED SOLELY OR IN PART FROM THE ACTIVE, PASSIVE, CONCURRENT OR COMPARATIVE NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT OR VIOLATION OF LAW OF OR BY ANY INDEMNIFIED PARTY. BUYER AND SELLER ACKNOWLEDGE THAT THIS STATEMENT COMPLIES WITH THE EXPRESS NEGLIGENCE RULE AND IS CONSPICUOUS.

10.7 Waiver of Certain Damages. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NO PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES SUFFERED BY SUCH PARTY RESULTING FROM OR ARISING OUT OF THIS AGREEMENT OR THE BREACH THEREOF OR UNDER ANY OTHER THEORY OF LIABILITY, WHETHER TORT, NEGLIGENCE, STRICT LIABILITY, BREACH OF CONTRACT, WARRANTY, INDEMNITY OR OTHERWISE, INCLUDING LOSS OF USE, INCREASED COST OF OPERATIONS, LOSS OF PROFIT OR REVENUE, DIMINUTION IN VALUE, LOST BUSINESS OPPORTUNITY OR

BUSINESS INTERRUPTIONS. IN FURTHERANCE OF THE FOREGOING, EACH PARTY RELEASES THE OTHER PARTY AND WAIVES ANY RIGHT OF RECOVERY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING ANY CALCULATIONS OF LOSSES USING ANY “MULTIPLES OF PROFITS”, “MULTIPLES OF CASH-FLOW” OR OTHER SIMILAR METHODOLOGY) SUFFERED BY SUCH PARTY REGARDLESS OF WHETHER ANY SUCH DAMAGES ARE CAUSED BY THE OTHER PARTY’S NEGLIGENCE (AND REGARDLESS OF WHETHER SUCH NEGLIGENCE IS SOLE, JOINT, CONCURRENT, ACTIVE, PASSIVE OR GROSS NEGLIGENCE), FAULT, OR LIABILITY WITHOUT FAULT: PROVIDED, HOWEVER, THE FOREGOING SHALL NOT BE CONSTRUED AS LIMITING AN OBLIGATION OF A PARTY TO INDEMNIFY, RELEASE, DEFEND AND HOLD HARMLESS THE OTHER PARTY AGAINST CLAIMS ASSERTED BY THIRD PARTIES, INCLUDING, THIRD PARTY CLAIMS FOR SPECIAL, INDIRECT, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES.

10.8 Redhibition Waiver. BUYER: (A) WAIVES ALL RIGHTS IN REDHIBITION PURSUANT TO LOUISIANA CIVIL CODE ARTICLE 2475 AND ARTICLES 2520 THROUGH 2548; (B) ACKNOWLEDGES THAT THIS EXPRESS WAIVER SHALL BE CONSIDERED A MATERIAL AND INTEGRAL PART OF THIS SALE AND THE CONSIDERATION THEREOF; AND (C) ACKNOWLEDGES THAT THIS WAIVER HAS BEEN BROUGHT TO THE ATTENTION OF BUYER, HAS BEEN EXPLAINED IN DETAIL AND THAT BUYER HAS VOLUNTARILY AND KNOWINGLY CONSENTED TO THIS WAIVER OF WARRANTY OF FITNESS AND WARRANTY AGAINST REDHIBITORY VICIES AND DEFECTS WITH RESPECT TO THE ASSETS.

10.9 UTPCPL Waiver. TO THE EXTENT APPLICABLE TO THE ASSETS OR ANY PORTION THEREOF, BUYER HEREBY WAIVES THE PROVISIONS OF THE LOUISIANA UNFAIR TRADE PRACTICES AND CONSUMER PROTECTION LAW (LA. R.S. 51.1401, ET SEQ.). BUYER WARRANTS AND REPRESENTS THAT IT: (A) IS EXPERIENCED AND KNOWLEDGEABLE WITH RESPECT TO THE OIL AND GAS INDUSTRY GENERALLY AND WITH TRANSACTIONS OF THIS TYPE SPECIFICALLY; (B) POSSESSES AMPLE KNOWLEDGE, EXPERIENCE AND EXPERTISE TO EVALUATE INDEPENDENTLY THE MERITS AND RISKS OF THE CONTEMPLATED TRANSACTIONS; AND (C) IS NOT IN A SIGNIFICANTLY DISPARATE BARGAINING POSITION.

10.10 Determination of Losses. With respect to any Party’s indemnification obligations under this Article 10, solely for purposes of determining the amount of Losses resulting from a breach or inaccuracy of a representation or warranty of the Seller in Article 4 or of the Buyer in Article 5 (including any bringdown of any such representation or warranty in any certificate delivered pursuant to this Agreement), such representations and warranties shall be read without giving effect to any materiality, Material Adverse Effect or similar qualification therein.

10.11 Notice and Defense. From and after Closing, each Party shall promptly notify each other Party in writing (including the full particulars of such claim) of any potential Obligations or Losses of which it becomes aware and for which it is entitled to indemnification from such other Party under this Agreement; provided that the failure to so notify such other Party shall not affect the other Party’s indemnification obligations under this Agreement with respect to such claim except to the extent that such other Party is materially prejudiced by such failure. The indemnifying Party is obligated to defend at the indemnifying Party’s sole expense any litigation or other administrative or adversarial proceeding against the indemnified Party relating to any claim for which the indemnifying Party has agreed to indemnify and hold the indemnified Party harmless under this Agreement; provided, however, the indemnified Party shall have the right to participate with the indemnifying Party in the defense of any such claim at its own expense.

If the date specified in this Agreement for giving any notice or taking any action is not a Business Day (or if the period during which any notice is required to be given or any action taken expires on a date which is not a Business Day), then the date for giving such notice or taking such action (and the expiration date of such period during which notice is required to be given or action taken) shall be the next day which is a Business Day.

11.3 Governing Law; Jurisdiction; Venue; Jury Waiver; Binding Arbitration.

(a) This Agreement, the Ancillary Agreements and any other documents delivered pursuant hereto and the legal relations between the Parties shall be governed and construed in accordance with the laws of the State of Texas, without giving effect to principles of conflicts of laws that would result in the application of the laws of another jurisdiction; provided that any dispute pertaining to real property shall be governed by the laws of the State of Louisiana or Texas (as applicable based on where such real property is located).

(b) Subject to and without limiting Section 2.5(c), the Parties agree that any and all disputes or claims by any Party arising from or related to this Agreement that cannot be amicably settled, will be determined solely and exclusively by arbitration in accordance with the Federal Arbitration Act and using the rules of the American Arbitration Association or any successor thereof when not in conflict with such act; provided, however, that nothing contained in this Section 11.3 shall limit any Party's right to bring (i) post-arbitration actions seeking to enforce an arbitration award or (ii) actions seeking injunctive or other similar relief under Section 11.16 in the event of a breach or threatened breach of any of the provisions of this Agreement (or any other agreement contemplated hereby). Arbitration will take place at an appointed time and place in Dallas, Texas, at a mutually agreeable and neutral venue. The Parties to the dispute will attempt in good faith to agree on a single impartial arbitrator. If such Parties cannot agree on a single impartial arbitrator, each Party to the dispute will select one impartial arbitrator, and the two so designated will select a third (3rd) impartial arbitrator. If either Party to the dispute should fail to designate an arbitrator within fourteen (14) days after arbitration is requested, or if the two (2) arbitrators should fail to select a third arbitrator within thirty (30) days after arbitration is requested, then an arbitrator will be selected in accordance with the Commercial Arbitration Rules of the American Arbitration Association. Each arbitrator will have at least ten (10) years' experience in the oil and gas industry in the State of Texas (or, to the extent that such dispute pertains to real property located in the State of Louisiana, the State of Louisiana). Discovery will be made pursuant to the Federal Rules of Civil Procedure. Final hearing on the matter will be held within nine (9) months after the date the Parties to the dispute agree on a single arbitrator or the selection of the third arbitrator, as applicable (such date, the "**Arbitration Commencement Date**") and a final decision with a written opinion stating the reasons therefor will be rendered within fourteen (14) days after the conclusion of the testimony at the final hearing, which written opinion shall be final and binding; provided, however, that Seller will have the exclusive right, in its discretion, to require that (A) discovery be completed by a specific date, which date must be at least forty-five (45) days after the Arbitration Commencement Date, or (B) the final hearing be commenced by a date earlier than nine (9) months after the Arbitration Commencement Date, which date must be at least sixty (60) days after the Arbitration Commencement Date. The prevailing Party in the arbitration proceeding shall recover all reasonable and necessary attorneys' fees and costs, including, but not limited to, all attorneys' fees, expert witness fees, court reporter fees, support staff fees, arbitration venue fees, and arbitrator fees. A Party need not be awarded any damages to be considered the prevailing Party, and a Party need not succeed on all or any affirmative claims to be considered the prevailing Party. The Parties irrevocably waive their right to any form of appeal, review or recourse to any state court or other judicial authority, insofar as such waiver may be validly made. Judgment upon an award of the majority of the arbitrators will be binding. Judgment on the award may be entered and enforced by any court of competent jurisdiction. In no event, may the

arbitrators award damages that have been waived under this Agreement. The arbitration process will be kept confidential and such conduct, statements, promises, offers, views and opinions will not be discoverable or admissible in any legal proceeding for any purpose, except to the extent reasonably necessary to enforce the final decision of the arbitrators.

(c) FOR PURPOSES OF (I) ANY POST-ARBITRATION ACTIONS SEEKING TO ENFORCE AN ARBITRATION AWARD UNDER THIS AGREEMENT OR (II) ACTIONS SEEKING INJUNCTIVE OR OTHER SIMILAR RELIEF UNDER SECTION 11.16, THE VENUE FOR ANY SUCH ACTION BROUGHT UNDER THIS AGREEMENT SHALL BE DALLAS COUNTY, TEXAS. EACH PARTY CONSENTS TO PERSONAL JURISDICTION IN ANY ACTION BROUGHT IN THE UNITED STATES FEDERAL COURTS LOCATED WITHIN DALLAS COUNTY, TEXAS (OR, IF JURISDICTION IS NOT AVAILABLE IN THE UNITED STATES FEDERAL COURTS, TO PERSONAL JURISDICTION IN ANY ACTION BROUGHT IN THE STATE COURTS LOCATED IN DALLAS COUNTY, TEXAS) WITH RESPECT TO ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR IN RELATION TO OR IN CONNECTION WITH THIS AGREEMENT, AND EACH OF THE PARTIES AGREES THAT ANY ACTION INSTITUTED BY IT AGAINST THE OTHER WITH RESPECT TO ANY SUCH DISPUTE, CONTROVERSY OR CLAIM WILL BE INSTITUTED EXCLUSIVELY IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF TEXAS. THE PARTIES HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANOTHER IN ANY MATTER WHATSOEVER ARISING OUT OF OR IN RELATION TO OR IN CONNECTION WITH THIS AGREEMENT. IN ADDITION, EACH PARTY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION IN THE RESPECTIVE JURISDICTIONS REFERENCED IN THIS SECTION.

11.4 Further Assurances. From time to time after Closing, Seller and Buyer shall each execute, acknowledge and deliver to the other such further instruments and take such other action as may be reasonably requested in order to accomplish more effectively the purposes of the transactions contemplated by this Agreement.

11.5 Amendments; Waivers. This Agreement may not be amended, nor any rights hereunder waived except by an instrument in writing signed by the Party to be charged with such amendment or waiver and delivered by such Party to the Party claiming the benefit of such amendment or waiver. No waiver of any breach or violation or, default under or inaccuracy in any representation, warranty or covenant set forth in this Agreement will be deemed to extend to any prior or subsequent breach, violation, default, inaccuracy or affect in any way any rights arising by virtue of any prior or subsequent occurrence. No delay or omission on the part of any Party in exercising any right, power or remedy under this Agreement will operate as a waiver thereof.

11.6 Assignment. Except as otherwise provided in Section 11.10, no Party may assign this Agreement or any of its rights under this Agreement without the prior written consent of the other Parties (which consent may be granted or withheld in each such other Party's respective sole discretion); provided, however, that Buyer shall have the right, upon prior written notice to Seller, to assign to one or more of its Affiliates, Buyer's rights under this Agreement to acquire the Assets at Closing; provided further, that without the prior written consent of the other Parties, no assignment pursuant to this Section 11.6 shall relieve any Party from its obligations under this Agreement.

11.7 Counterparts/Fax Signatures. This Agreement may be executed and delivered in one or more counterparts, each of which when executed and delivered shall be an original, and all of which when executed shall constitute one and the same instrument. The exchange of copies of this Agreement and of

signature pages by facsimile or by electronic image scan transmission in .pdf format shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of the original Agreement for all purposes.

11.8 Construction.

(a) Capitalized terms used but not otherwise defined in this Agreement have the meanings given to such terms in Annex I.

(b) The headings of the Articles and Sections of this Agreement are for guidance and convenience of reference only and shall not limit or otherwise affect any of the terms or provisions of this Agreement. The Disclosure Schedules are hereby incorporated in this Agreement by reference and constitute a part of this Agreement. The words “this Agreement,” “herein,” “hereby,” “hereunder” and “hereof,” and words of similar import, refer to this Agreement as a whole and not to any particular Article, Section, subsection or other subdivision unless expressly so limited. In the event any term of this Agreement is found by any court to be void or otherwise unenforceable, the remainder of this Agreement shall remain valid and enforceable, and, to the fullest extent permitted by Law, such offending term or terms shall be replaced with an enforceable term or enforceable terms that as nearly as possible effect the Parties’ intent.

11.13 Joint Preparation.
